

SWEng Group 3 Enterprise QA Self Assessment Sheet Analysis

How do you feel the project is going in terms of the whole Group's effort?

All group members were happy with the quality and quantity of work being done.

How do you feel the project is going in terms of your individual effort?

Almost all group members felt as if they had done good work but could be working harder.

Do you think that you are meeting the QA metrics that you set for the QA Manual (if applicable)

Most group members felt as if they were meeting their QA Metrics, however some felt that the metrics were not measurable at this point in the project; going forward if they remain immeasurable they will be amended.

Do you have any issues with how work is being carried out in the Group? If so, what are they?

One person voiced concerns of work distribution but this has been resolved by the Project Manager

Do you have any issues with how meetings are being carried out in the Group? If so, what are they?

No one wrote anything here

Do you have any further queries you would like to be brought up in a meeting?
